

KAZBEGI

guidebook

The European Union
for Georgia
ENPARD

“This publication has been produced with the assistance of the European Union. Its contents are the sole responsibility of People in Need and do not necessarily reflect the views of the European Union.”

This publication has been produced in the frames of the project “Strengthening Rural Development Models in Georgia” funded by the European Union. The co-participant is LOMEKI.

This is the first time a work like *The Kazbegi Guidebook* is being published about this region. Included in *The Kazbegi Guidebook* is information about Kazbegi's historical and cultural monuments, natural monuments, ethnography, mountain climbing, endemic species, tourist routes, and tourist services. There is also some significant photographic material presented with historical names having been checked and clarified on the basis of historical sources.

Visitors will be offered important information regarding the touristic potential of the Kazbegi region through the diverse material included in *The Kazbegi Guidebook*. Many items of interest lesser known today are presented in the book. It is intended for visitors having a wide variety of pursuits. A detailed map of the Kazbegi region prepared especially for this publication is included with the guidebook.
